1 Punctuation

1.1 Double tildes

1. As section marker (?):

2. As filler (?):

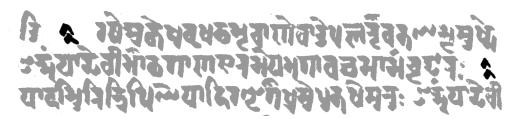

3. Double tildes alternating with double carets and used as filler (?):

भवारेगोभक्षक्षित्रकृषिः ४विदेशीयंग्रहमा ॥ अस्म सम् द्रभेभ ॥ ५ ॥ ५ ॥ ५ ॥ ५ ॥ ५ ॥ ५ ॥ ६ ॥ ६ ॥ महत्रद्रश्विष्टभुश्चिकंभुश्चिक्षीभुश्चार्येड्समण्यस्यानिय्यं

1.2 Double carets

1. As section or omission marker (?):

2. As filler:

1.3 Large caret

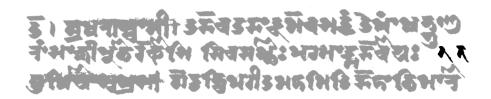

1. As section or omission marker (?):

द्राःभविद्वार्थः भएकतिश्वस्यक्षिः व्याःसीनिद्यिन्यक्ष्यः तम्यान्यात्वद्रः नविधिव्यवस्यातः k सर्वविष्यवक्ष्यः वविद्योजनकाम्यान्यः व्यवीतवदीनिक्याः वर्धनीपद्री

2. As filler:

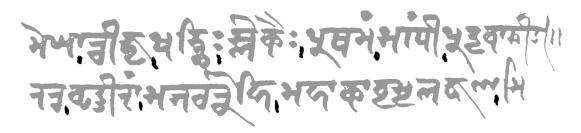

3. Larget caret side-by-side with and without top-stroke:

1.4 Separator

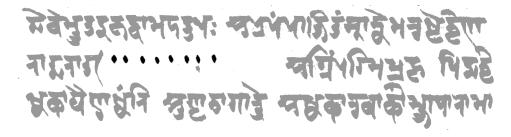

1. Used to mark word boundaries:

1.5 Dots

Do dots represent anything in particular? Omissions, etc.?

1. Dots:

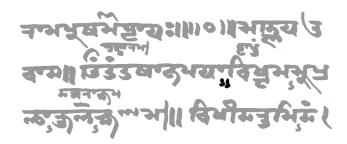

2 Other Marks

2.1 Avagraha

1. Avagraha:

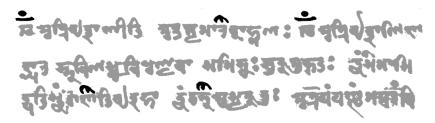

2. Double avagraha (is there a special function or meaning of two avagrahas?):

2.2 Candrabindu

Is there a semantic distinction between the regular and inverted forms of candrabindu? if not, what might explain the occurance of the two forms within a single line of adjacent lines?

1. Different forms of candrabindu used to write om and candrabindu sign:

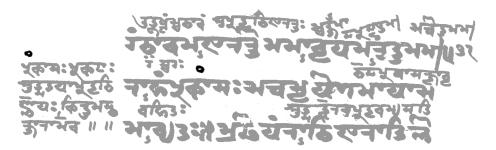

2. Different forms of candrabindu used to write om:

3 Editorial Marks

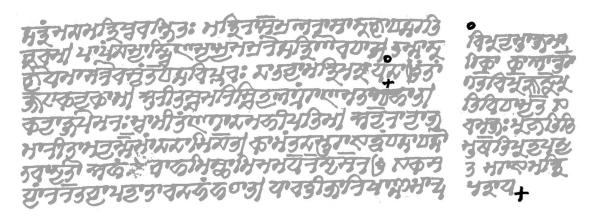

3.1 Open Circle

1. Superscript open circle in main text referencing supplemental text in margin:

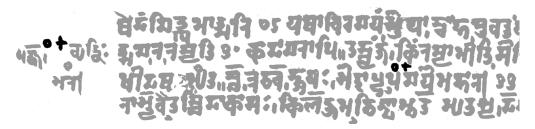

3.2 Open Circle and Plus Sign

1. Superscript open circle with subscript plus sign:

2. Superscript open circle with superscript plus sign:

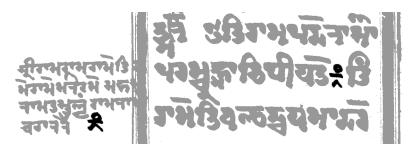

3.3 Open Circle and Caret

1. Superscript open circle with subscript caret:

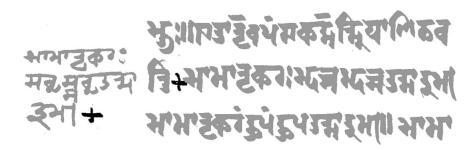

2. Superscript open circle with with subscript caret separated by a horizontal line:

3.4 Plus Sign

A plus-like sign possibly indicating text insertion. The sign occurs as a superscript, as a subscript, and in-line. Is there semantic value in the distinctions?

1. In-line plus sign:

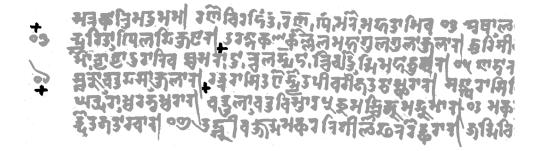

2. Plus sign before margin text; subscript plus in manuscript text:

3. Plus sign after margin text; subscript plus in manuscript text:

4. Plus sign above and below margin text; subscript plus in manuscript text:

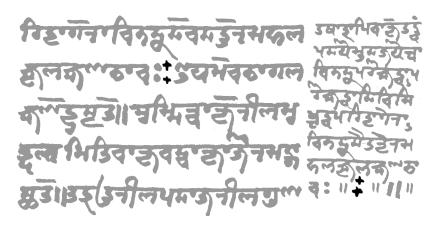

3.5 Double Plus Sign

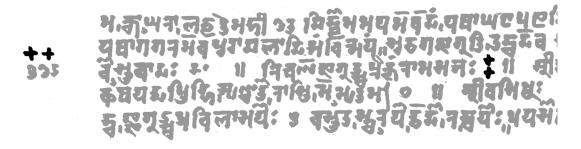

1. Double plus sign written before marginal text:

मियाः + ०४। येन इत्या विन्यं भेग्योगलम् नियं विन्यं प्रदेश विन्यं विन्य

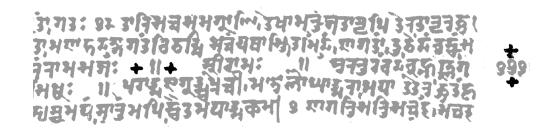

2. Double plus sign written after marginal text:

3. Vertical double plus sign referencing margin text marked by horizontal plusses:

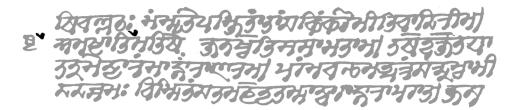

4. Separated double plus referencing margin text marked by superscript and subscript plusses:

3.6 Inverted Superscript Caret

1. Inverted carets:

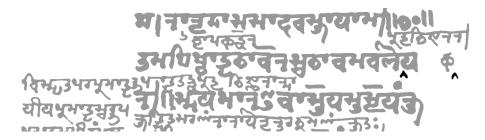

2. More:

3.7 Subscript Caret

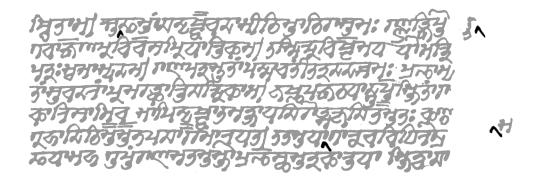

1. Caret in manuscript text referencing margin text marked by caret:

2. Caret in manuscript text with inline insertion:

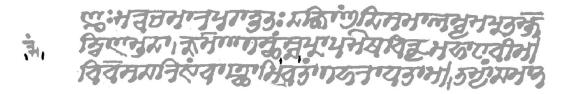

3. Caret written before and after text to be inserted (does the position of the caret have semantic value?):

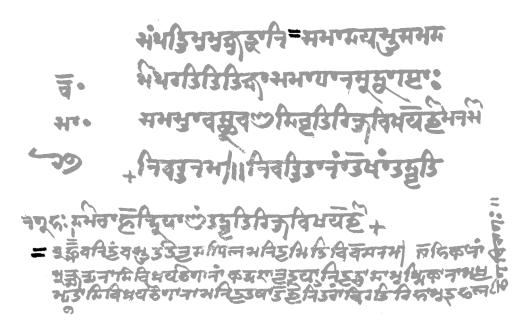

3.8 Bars

1. Manuscript text bound by subscript bars referencing text in margins:

3.9 Double Bars

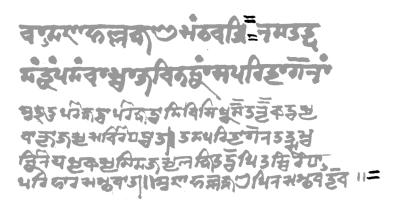

1. Double bars referencing margin text marked with double bars:

2. Double bars referencing unmarked margin text:

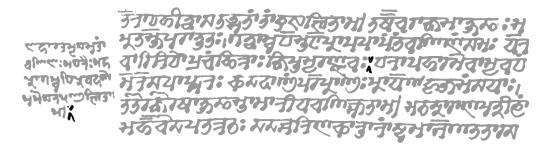

भेथनिधरुभण्ण्यउद्यक्ति भिम्मानीय इक्ष्मानि॥उद्यन्तिन्यभणिकः क्षान्ति स्व हिन्दि विविधयुष्यएन्नि॥स्विक्ति द्वान्ति स्व हिन्दि स्व क्षानिक्ति

3. Superscript and subscript double bars referencing margin text marked with double bars:

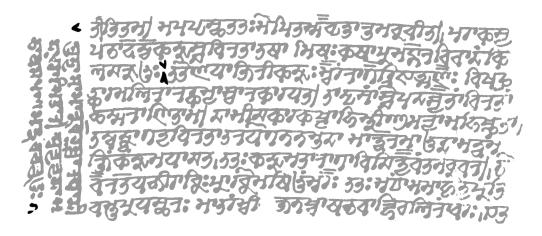

3.10 Caret and Inverted Caret

1. Carets written after text to be inserted:

2. Carets written around text to be inserted; superscript caret at beginning, subscript caret at end:

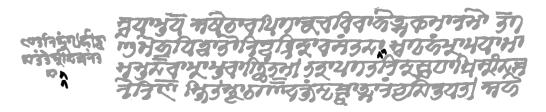

3. Inverted carets:

्यभर्थपि द्वभन्भित्र विश्व दिवस्त्र विश्व विष्य विश्व विश्व विश्व विष्य विष्य

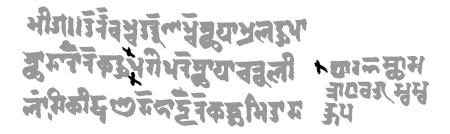

3.11 Double Caret

1. Two upward-facing carets:

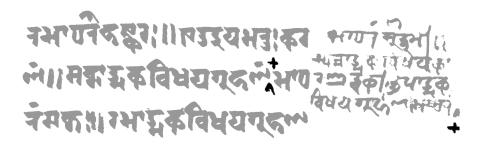

Double X

1. Double x:

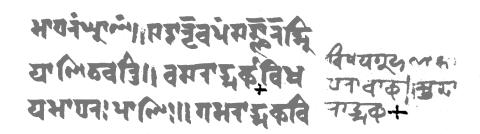

3.12 Mixed Use

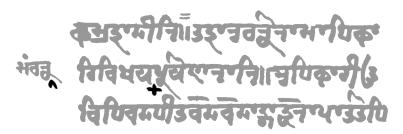

1. Superscript plus sign and subscript caret:

2. Subscript plus sign and caret:

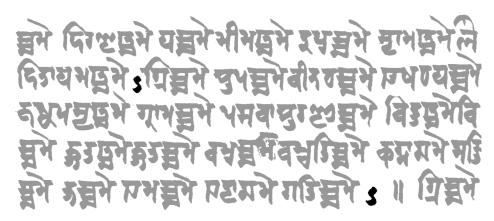

3. Plus sign referencing margin text marked by caret:

4 Unknown Characters

1. Unknown character A: is the first occurance an avagraha? is the second occurance some sort of filler or omission sign?:

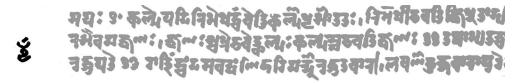

2. Unknown character B (is this the same as 'unknown character C' below?):

3. Unknown character C (is this the same as 'unknown character B' above?):

हिरावलीया यश्चित्रहरूयायसंत्रणास्त्रग्नाभीःहै। उद्देशक्ष्मित्रहित्रश्चित्रहित्रहरूष्ट्रीहे उत्तर्भित्रम् ॥ १ दे विवेदेनेवियणिकंदित्रयनेयुक्तियधिद्रम् । वस्त्रभित

4. Unknown character D

5. Unknown character E: (is this a variant of 'unknown character F' below? is this character composed of the digit 9 • + an inverted candrabindu?

6. Unknown character F: (see question for 'unknown character E'):

7. Unknown character G: are the subscript vertical bars the same as double danda? they appear distinct from the full-height double dandas that also appear in the specimen:
